Property lines added by Frederick P. Clark Associates, Planning Consultants, Rye, New York, 1977

LYNN McCRUM, VILLAGE ENGINEER, SEPT. 1971
MAX VOGEL, VILLAGE ENGINEER, FEB 1959

VILLAGE OF BRIARCLIFF MANOR NEW YORK

SLOPES

- 0-8%
- 8-15%
- 15-25%
- 25% AND OVER
- STREAMS/WATERBODIES
- DOWNWARD DIRECTION

Relationship of Slope Legend to Soil Conservation Service Designations

	SLOPE	DESCRIPTION	S.C.S. DESIGNATION
	0-8%	nearly level to gently sloping	A(0-3%), B(3-8%)
	8-15%	sloping	C
	15-25%	moderately steep	D
	25% +	steep to very steep	E(25-35%), F(35-60%)

In relating the information on this map to the Soil Conservation Service designations, it must be understood that S.C.S. designations are generalized and encompass ranges of slope. Designations on this map are at a greater level of detail.
